#### The Iowa Health & Wellness Plan

#### Interim Committee Meetings

Each year, legislators develop interim committees to discuss issues in between legislative sessions. Legislators have selected 10 topics to discuss this year, two of which are particularly applicable to MCH/FP agencies (click on the boxes below for more information). These meetings are always open to the public, and often include time for public comment. Legislators expect to hear from people outside their district, and welcome "real world" stories they hear from Iowans impacted by the issue being studied.

#### BFH Fall Seminar

The Bureau of Family Health Fall Seminar is just a few short weeks away! This year's conference will focus on Developing Collective Impact Around Maternal/Child Health and Family Planning. Highlights of this year's conference include welcoming remarks from Julie McMahon, a presentation from Elisabeth Buck and Angie Doyle Scar, and a World Café session in which attendees will have an opportunity to attend 4-5 brief discussions on a variety of topics. The MCH/FP Contractor's Meeting will take place on the second day, and post-conference meetings inclue 101 or 201 Motivational Interviewing, *hawk-i* Outreach Meeting, Family Planning Directors' Meeting, and the 1st Five Consortium.

The conference will be held at the West Des Moines Marriott, 1250 Jordan Creek Pkwy, West Des Moines, IA 50266 (map) on October 1st and 2nd, 2013. **Register now!** 

#### Iowa's PREP Program

The Personal Responsibility Education Program (PREP) provides comprehensive sexuality education to adolescents, ages 10-19, that is medically accurate, culturally and age-appropriate, and evidence-based. PREP is implemented in Iowa with the goal of assisting youth to reduce their risk of unintended pregnancy, HIV/AIDS, and other sexually transmitted infections. PREP also addresses other topics to prepare young people for a successful adulthood, including healthy relationships, adolescent development, and healthy life skills. Since the beginning of 2012, five agencies in seven Iowa counties have delivered PREP programming to more than 700 youth!

With funding managed through IDPH, local contractors deliver PREP in multiple high risk counties in Iowa: Black Hawk, Cerro Gordo, Clinton, Des Moines, Pottawattamie, Scott, and Woodbury. Iowa's PREP

contractors continue to reach out to local schools and youth organizations as potential sites for PREP implementation. If you are located in one of the counties listed above and would like youth in your area to receive PREP programming, please contact Addie Rasmusson at addie.rasmusson@idph.iowa.gov or 515.281.6071.

### MIHOPE

IDPH's MIECHV team is excited to announce that twelve Iowa MIECHV sites have been selected for inclusion in the MiHOPE national evaluation. This is a fantastic opportunity not only for the state of Iowa, but also for the Early Head Start and Healthy Families America models and for the organizations that operate the models in Iowa. If you are interested to learn more about MiHOPE or the sites selected for the evaluation, please feel free to contact one of the MIECHV team members!
